Historical Information

Montgomery County was formed from Fincastle County in 1776, and the county court first met on 7 January 1777. Part of Botetourt County was added in 1790. Part of Pulaski County was added in 1842. The county was named for Richard Montgomery, who was killed in the American assault on Quebec late in 1775.

Fincastle County was created from Botetourt County in 1772, and the county court first met on 5 January 1773. Fincastle County became extinct on 31 December 1776 when it was divided to form Montgomery, Washington and Kentucky Counties. The county was named probably for George, Viscount Fincastle, Lord Dunmore's son; for John Murray, fourth earl of Dunmore, Viscount Fincastle; or for the town of Fincastle, Virginia, which was established in 1772 and named for George, Viscount Fincastle.
