**Creation:** This finding aid was produced using a form and manually entry 2023-03-03

**Language Usage:** Description is in English

## Descriptive Summary

### Collection Number

Record Group 1-1

### Language

Materials in this collection are in English.

### Creator

Papers of Sue Bachtel

### Physical Characteristics

17 folders in 2 boxes

### Repository

Falls Church History Room, Mary Riley Styles Public Library

# Administrative Information

## Conditions Governing Access

The collection is open for research use.

## Scope and Content

These two boxes contain Sue Bachtel's chronological files of her involvement with the process of designing, planning, funding, and determining the scope of Broad Street Improvements during the 1980s. Bachtel was a Council Member during much of the effort to widen and improve West Broad Street from West Street to almost Haycock Road. These files do not constitute a definitive reporting of the process of Broad St improvements, nor do they contain all the reports that are referred to in the documents as attachments.

These files do not constitute a definitive reporting of the process of Broad St improvements, nor do they contain all the reports that are referred to in the documents as attachments.
