Historical Information

Buckingham County was formed in 1761 from Albemarle County.

The Virginia legislature passed an act on 27 February 1866 to legalize the marriages of former slaves and provided for the legitimization of children of couples no longer cohabiting as long as the father recognized the children to be his. See Virginia Acts of Assembly, 1866-1867, Chapter 18, An act to amend and re-enact the 14th section of chapter 108 of the Code of Virginia for 1860, in regard to registers of marriage; and to legalize the marriages of colored persons now cohabiting as husband and wife.

The federal Bureau of Refugees, Freedmen, and Abandoned Lands directed the Assistant Superintendents of the states to order the county clerks to make a registry of such children. See Circular No. 11, dated 19 March 1866, in Orders, Circulars, Circular Letters, and Letters of Instruction, vol. 2 (1866). Bureau of Refugees, Freedmen, and Abandoned Lands, Records of the Assistant Commissioner for the State of Virginia, 1865-1869. Miscellaneous reel 3880, Library of Virginia. National Archives microfilm M1048 (reel 41), Record Group 105.

Records were destroyed by fire in 1869.

Scope and Content
