Historical Information

Hanover County was formed from New Kent County in 1720.

Most county court records, particularly deeds, wills, and marriage records, were destroyed by fire in Richmond on 3 April 1865, where they had been moved for safekeeping during the Civil War. The circuit court records were not moved to Richmond and were relatively unscathed. Consequently, there is a strong run of common law papers and chancery papers after 1831 that were generated by the circuit superior court of law and chancery and its successor, the circuit court.
