## **Historical Information**

Southampton County was named, in the opinion of many authorities, for Henry Wriothesley, third earl of Southampton and treasurer of the London Company from 1620 to 1624. It is more likely, however, that the county was named for the borough of Southampton in England. Southampton County was formed in 1749 from Isle of Wight County, and part of Nansemond County was added later.

## **Scope and Content**

Southampton County (Va.) Administrator and Guardian Bonds, 1749-1869, 1895-1898, consist of bonds that administrators and guardians were required to take out with the justices of the court to guarantee proper execution of their positions. The obligation was made binding by a money guarantee. The bonds show the names of the administrator or guardian and their sureties, the date, amount and condition of the obligation, name of the deceased or person requiring a guardian, and signatures.
