Scope and Content

(Accessions 35863 and 43396). Contains photographs that document the events of activities of the Allen Administration. Also included are photographs of Election Night 1993 and the inauguration of Governor Jim Gilmore in January 1998. The photographs document Governor Allen's inauguration, press conferences, announcements, his RV tours of the state, trade missions to various countries, groundbreaking, ribbon cuttings, school visits and graduations, swearings-in, agency head meetings, award ceremonies, and the annual state Christmas tree lighting and Executive Mansion open house. Also included are photographs of certain activities of the first family and First Lady Susan Allen. The photographs are numbered, and most photographs were taken by Richard L. Piermarini. Folder lists containing the identification numbers can be found inside each box. An asterisk after the folder title indicates that the name of the photographer was not marked on the original envelope. The numbers and asterisks are not included in the folder list below. Included at the end of Box 37 is a folder of miscellaneous negatives and contact sheets of Allen administration photographs taken by Pierre Courtois, photographer of the Library of Virginia.
