## Historical Information

Warren County was named for Joseph Warren, the revolutionary patriot who sent Paul Revere and William Dawes on their famous rides and who was killed at the Battle of Bunker Hill. The county was formed from Frederick and Shenandoah counties in 1836.

The 1902 voter registration books were created following the passage of the 1902 Virginia state constitution. The purpose of the 1902 state constitution was to maintain white suffrage while eliminating African-American voters by means of literacy tests as well as property and poll tax requirements.

The Nineteenth Amendment was granted the right to vote to women. It was proposed on June 4, 1919 and ratified on August 18, 1920.
