## Historical Information

Lunenburg County was named for King George II, duke of Brunswick-Lüneburg, a German possession of England's Hanoverian kings. It was formed from Brunswick County by an act that took effect on 1 May 1746. Part of Lunenburg County was added in 1777. The county seat is Lunenburg.

Two freeholders were appointed on order of the county court to procession or review the bounds of farms or tracts of land in each precinct in order to renew or replace old landmarks. This was originally a function of the church vestry, but was continued by the court after disestablishment. Persons who walked the boundaries were called processioners.

## Scope and Content

Processioner's Records, 1848-1870 typically record an area of land processioned with geographical landmarks, roads, property lines noted, the names of the persons present, the date(s) when the processioning occurred, the names of the processioners, and the date that the return was recorded by the local court.
