Biographical Note

Harvey Lee Price (1874-1951) was associated with Virginia Polytechnic Institute throughout his professional career, first as a student (B.S. 1898, M.S. 1900), followed by his extensive tenure as a faculty member in the Horticulture department (1900-1950). During those years, Price was an administrator from 1908 through 1920 and Dean of the School of Agriculture from 1920 through 1945. Price Hall, originally constructed in 1907 as Agricultural Hall, was renamed in his honor in 1949.

A descendant of early Montgomery County settlers, Harvey Lee Price had a strong avocational interest in genealogy and local history. His *Outlines of Montgomery County Families* has long been a valuable source for genealogists and historians. Hardback copies of the four volumes are available in the Rare Book Collection.

Scope and Content

The Harvey Lee Price Papers contain notes and outlines of various Montgomery County families which Price used to write his four volume series *Outlines of Montgomery County Families*. Materials consist of Price's own background research, notes, transcribed historical documents, and correspondence with numerous families with historical connections to Montgomery County. There are also comprehensive notes pertaining to the Price family genealogy in Virginia, Pennsylvania, and Indiana. Additionally, Price's diplomas from VPI are included.
