Administrative Information

Conditions Governing Access

Collection is open to research.

Conditions Governing Reproduction and Use

Researchers wishing to cite this collection should include the following information: [identification of item], [box], [folder], Berta Rahm Architectural Collection, Ms1998-011, Special Collections and University Archives, Virginia Tech, Blacksburg, Va.

Source of Acquisition

The Holloway-Amiss-Leavell Society Papers were donated to Special Collections in September 1998.

Processing Information

The processing, arrangement, and description of the Holloway-Amiss-Leavell Society Papers commenced and was completed in October 1998.

Preferred Citation

Researchers wishing to cite this collection should include the following information: [identification of item], [box], [folder], Holloway-Amiss-Leavell Society Papers, Ms1998-012, Special Collections and University Archives, Virginia Tech, Blacksburg, Va.

Historical Note

The Holloway-Amiss-Leavell Society was organized in 1937. The Amiss family's origins are uncertain, but can be dated to the late 1600s settlement in Culpeper, Essex, and Middlesex counties, Virginia, and Granville County, North Carolina. The Leavell family originated with John LaVelle (1675-1740), who was born in France and lived in Virginia, probably in York County, on or before 1715.

For more information about the family and society, see *The Holloway-Amiss-Leavell Family* (Holloway-Amiss-Leavell Society, 1952). A copy of this book is available for use in Special Collections: Spec Large CS 71 .H745 1952.

Scope and Contents

The papers consist of genealogical information about the Holloway, Amiss, and Leavell families, as well as other families that intermarried with them.

Rights Statement for Archival Description
