## Biographical / Historical

The Longwood Blueprints and Building Plans collection was created or compiled by Longwood University for the construction and renovation of dormitories, academic buildings, and other facilities on campus. The collection includes building site plans, renovation and replacement plans, roof repair plans, floor plans created between 1902 and 2020 at Longwood University. The buildings included are Cox, Wheeler, Stubbs, Crafts House, Cunninghams, French, Swimming Pool, Athletic Fields (Iler), Grainger, Frazier and Curry (Johns and Moss), Training School (Hiner), Jarman, Library (Lancaster and Greenwood), Rotunda (Ruffner), Tabb, Wynne Lab School, and the Central Heating Plant.

## Content Description

Collection includes blueprints and building plans for Longwood buildings that have been renovated or are no longer on campus. These are the historical blueprints for these buildings and do not reflect the current layout or structure of buildings. Buildings included French, Swimming Pool, Moss (Curry), Johns (Frazier), Jarman, Crafts House, Training School (Hiner), Wynne Training School, Grainger, Rotunda, Stubbs, Wheeler, Cox.

## Related Materials

These collections may include information on specific Longwood campus buildings, or general information about campus construction projects.

- LU-004 Richard Couture Papers
- LU-022 Dr. Charles H. Patterson – Wynne Lab School Records
- LU-079 Board of Trustees/Board of Visitors
- LU-116 Master Plans

## **Library (Lancaster & Greenwood)**

**Unit ID** /repositories/2/archival\_objects/16209

**Unit Date** 1987-2011

**Blueprint** Library 01 (Drawer)

**Blueprint** Library 02 (Drawer)

### **Biographical / Historical**

The Longwood library opened on November 9, 1939, and was constructed with help from the Federal Works Project Administration. The building was renamed for Dr. Dabney S. Lancaster in 1962 who was president of Longwood from 1946-1955. The building was converted to administrative offices in the 1990s and was renamed Eason Hall in 2022 for Dr. Thomas Eason who was a professor of Biology at the college in the 1920s.

The New Library was completed in March 1991, the building was named for Dr. Janet D. Greenwood Longwood's First female President from 1981-1987 in September 2004.

### **Scope and Contents**

This series contains furniture plans, floor plans, alterations and additions plans, and aerial view photographs.

## **Rotunda (East, South, West) Ruffner**

**Unit ID** /repositories/2/archival\_objects/16245

**Unit Date** 1904-2001

**Blueprint** Rotunda 01 (Drawer)

**Blueprint** Rotunda 02 (Drawer)

### **Biographical / Historical**

The Main Building at the college was renovated in 1904 to include the iconic Rotunda. The building originally included administrative offices, classrooms and dorm rooms for students. It was renamed for William Henry Ruffner in 1949. During a renovation in 2001 the building was destroyed by a fire. It was rebuilt, solely as an academic building and rededicated in April 2005. In 2020 it was announced that the building would be referred to as the Rotunda.

South Ruffner was built around 1900, the building was renovated after the fire in 2001, in 2020 it was announced that the building would be referred to as South Rotunda

### **Scope and Contents**

This series contains alteration plans, renovation plans, roof repair details, floor plans, and schematic diagrams.

## **Stubbs**

**Unit ID** /repositories/2/archival\_objects/16277

**Unit Date** 1966-2000

**Blueprint** Stubbs 01 (Drawer)

### **Biographical / Historical**

### **Scope and Contents**

This series contains dormitory plans and roof replacement plans.

## **Tabb**

**Unit ID** /repositories/2/archival\_objects/16280

**Unit Date** 1910-2006

**Blueprint** Tabb 01 (Drawer)

### **Biographical / Historical**

Tabb Hall opened in 1926, and was expanded in 1951. The building is named in honor of Miss Jennie M. Tabb who was secretary to the president and registrar from 1904-1934.
