Biographical Information

An avid photographer of wildlife and nature, Edith "Edie" Ker dedicated her life to traveling around the world taking photographs and writing journal entries about her experiences. During the course of her career, Ker participated in more than 70 professional photographic camping safaris in Africa, including expeditions with primatologist Jane Goodall. She also served as president of the Society of Woman Geographers from 1997 to 1999. Born in 1924, she died in 2003.

Scope and Content

This collection contains approximately 10,000 slides, as well as photographs, scrapbooks, publications, and audio visual materials relating to Edith Ker's nature expeditions. Aside from visiting safaris in Africa, she traveled all over the world to countries like Canada, Russia, Australia, Turkey, Namibia, Argentina, and around the United States. She kept scrapbooks of each trip to showcase postcards, articles, research notes, itineraries, pictures, and brochures from her travels. Her photographs capture a variety of different animals from around the world as well as buildings, landscapes, and people.
