Administrative History

Established in 1974, the Rockingham Bird Club is a local chapter of the Virginia Society of Ornithology, Inc. The purpose of the club is to promote interest in the study of birds, and in the conservation of birds and other natural resources. With the exception of a summer hiatus, the club holds monthly meetings and publishes monthly newsletters. The American Goldfinch has been used as the club's emblem since its establishment and is the inspiration for the club newsletter, Goldfinch Gazette. Additional club activities include, or have previously included, publishing seasonal reports on bird sightings and bird activities, conducting Christmas bird counts, holding an annual bird seed sale, hosting speakers, and organizing field trips.

The club has published two editions of *Birds of Rockingham County*, in 1998 and 2022, respectively.

Scope and Contents
