Conditions Governing Use

The materials from Washington and Lee University Special Collections are made available for use in research, teaching, and private study, pursuant to U.S. Copyright law. The user assumes full responsibility for any use of the materials, including but not limited to, infringement of copyright and publication rights of reproduced materials. Any materials used should be fully credited with the source. Permission for publication of this material, in part or in full, must be secured with the Head of Special Collections.

This collection may contain materials with sensitive or confidential information that is protected under federal or state law. The user assumes full responsibility for using such information and is advised that the disclosure of such information about identifiable living individuals without their consent may have legal ramifications.

Preferred Citation

Tintype photograph of an unidentified man, WLU Prints and Photographs #0162, Special Collections and Archives, James G. Leyburn Library, Washington and Lee University, Lexington, VA

In some cases the citation format may vary. Please contact Special Collections' staff to verify the appropriate format.

Scope and Contents

A small tintype photograph of a suited man with a hat taken by Woodrich of Albany, New York. The tintype was discovered during a research survey called BookTraces by a team of scholars from the University of Virginia. The tintype was within a copy of the "Works of William Gilmore Simms."
