# **Biographical/Historical Information**

The Christianburg Industrial Alumni Association was formed in 1976. At this time a social organization was formed and they called themselves the "Christianburg Institute Alumni Association". The officers were David Hickman, President, Amanda DeHart, Vice President, Charles Johnson, Director of Affairs, Mattie P. Holmes, Recording Secretary, and Carrie Price, Treasurer.

Several committees were formed and the purpose of the organization was established. Through the succeeding years a number of meetings were held, a scholarship fund was established and in 1986 a commemorative monument was erected on the site. Additional material about Christianburg may be found in the: John Banks Papers Acc. # 1984-34, The Amanda DeHart Papers Acc. # 1988-61, The Colson-Hill Family Papers Acc. # 1965-13, The VTA Papers Acc. # 1969-14, and the VIA Papers ACC. # 1969-37 all may be found in the Virginia State University Special Collections Archives.

# **Scope and Content Information**

These materials document the negative impact of school integration in Virginia. Throughout Virginia and south. Institutions that had been established, built and nurtured by the African American Community were by routine closed or down graded. The records of Christianburg and other schools for African American, their accomplishments and failures help to document and define the reality of what was unequal and separate.
