Custodial History

Materials were collected and donated by Ezma Lee King, who attended Radford during the 1950s. Details of the donation are not known.

Scope and Content

The Public Health Collection contains public health flyers, publications, handouts, and other materials published between 1945-55. Individual items in this four box collection include clippings about topics such as Arthritis from 1949-1953, a booklet entitled *So - You are going to drive*, and a sectional diagram of the human ear. Also included are a 1954 Health Bulletin titled *Sanitary Landfill, Sanitation Training Courses, Tuberculosis Control, Your Family Physician* and articles about marriage which include an article entitled *The Vice Nobody Talks About*.

Topics covered in this collection include marriage, infant care, therapy, nutrition, physical activity, heart, first aid, cheerleading, athletics, arthritis, eyes and ears and cancer. For the full inventory, again, see the link in the abstract.

Arrangement

Materials are housed in four boxes and are arranged in the alphabetical order of the Public Health concern.

Box 1: Public Health Materials, A-F

Box 2: Public Health Materials, G- Medicine

Box 3: Public Health Materials, Menstruation- Respiratory Diseases

Box 4: Public Health Materials, Safety- Venereal Disease
