## Biographical / Historical

Was League of Virginia Municipalities.

## Scope and Contents

This collection contains papers held by the VML. These papers deal with the issues that are of concern to any municipality. A few examples are public safety, waste water regulations, annexation issues, drug dependency and programs, etc. The main bulk seems to be information dealing with Virginia municipalities complying to federal and state regulations. The collection includes reports, bulletins, publications and legal documents. In addition, the library also receives the VML publication, Town and County; for more up-to-date information.
