Administrative Information

Conditions Governing Access

The collection is minimally processed and restricted. Both Museum staff and the public may need written permission from the Director to view certain restricted records.

As custodians of public records, VMFA only restricts access to public records when sensitive information is present. Such restrictions are applied in accordance with the Virginia Freedom of Information Act (Code of Virginia, § 2.2-3700 thru § 2.2-3714) and the Government Data Collection and Dissemination Practices Act (Code of Virginia, § 2.2-3800 thru § 2.2-3809).

Conditions Governing Use

The collection is subject to all copyright laws. Transmission or reproduction of materials protected by copyright, beyond that allowed by fair use, requires the researcher to obtain permission of copyright holders.

Processing Information

In general, during processing, all publications are removed and added to the VMFA Library's holdings and original newspaper clippings are photocopied, with identifiers transferred, and then destroyed. Original folder titles are retained, when provided.

Preferred Citation

Records of the Buildings and Grounds Department (RG-06). VMFA Archives, Richmond, Virginia.

Custodial History

The collection was transferred from the Buildings and Grounds Department through periodic deposits.

Arrangement

The collection is organized into three series but is minimally processed. Series 1.5 and 2 have boxes which are unprocessed. Folder level inventories may be added as they are completed.
