Scope and Content Note

This collection consists of 288 black and white slides and 142 scanned images from the slides as well as notes that accompany the slide show. Mr. Shepherd took these images in 1976 and states that he created the images "just as construction on the mall was beginning." The images were shot on 35mm Panatomic X. The scanned images appear to duplicate the physical slides, and there is some be duplication among the physical slides.
