Language Usage: Description is written in: English, Latin script.

Descriptive Summary

Unit ID

BA-7

Unit ID

/repositories/6/resources/66

Unit Date

2013

Language

English

Description

The inactivity book is an activity book for adults that does not involve any activity. Using visuals and language typically found in children's coloring and activity books, The Inactivity Book's directions are impossible to follow. Exploiting figures of speech, homophones, puns and word play, it addresses the porous nature of language and its slippery hold on meaning.

Creator

Fichter, Celeste
