Administrative Information

Conditions Governing Access:

A Special Collections Research Center staff member must review the collection for restricted material before any researchers may use the collection. Consult a staff member for assistance. Manuscript collections and archival records may contain materials with sensitive or confidential information that is protected under federal or state right to privacy laws and regulations, such as the Virginia Public Records Act (Code of Virginia, § 42.1-76-91); and the Virginia Freedom of Information Act (Code of Virginia § 2.2-3705.5). Confidential material may include, but is not limited to, educational, medical, and personnel records. If sensitive material is found in this collection, please contact a staff member immediately. The disclosure of personally identifiable information pertaining to a living individual may have legal consequences for which the College of William and Mary assumes no responsibility.

Conditions Governing Use:

Before reproducing or quoting from any materials, in whole or in part, permission must be obtained from the Special Collections Research Center, and the holder of the copyright, if not Swem Library.

Acquisition Information:

Acquisition information is available by consulting a Special Collections Research Center staff member.

Preferred Citation:

Charles L. Kendrick III Papers, Special Collections Research Center, William & Mary Libraries.

Biographical Information:

Charles L. Kendrick was a student at William and Mary from 1977-1982. He graduated with a Bachelor of Arts degree in 1982, and received his Master in Education from William and Mary in 1995. Further information about this individual or organization may be available in the Special Collections Research Center Knowledgebase.

Scope and Contents

This collection contains class notes, syllabi, exams, and other material pertaining to Charles L. Kendrick while attending William & Mary for his undergraduate and graduate degrees. Most of the material is from Kendrick's undergraduate courses, but there is also material related to his graduate work in the School of Education. The collection also includes a packet containing information about water safety, lifeguard training and the history of the Theta Delta Chi fraternity.

Related Materials:

University Archives Artifact Collection (UA 13).
