Repository

Special Collections Research Center

Administrative Information

Conditions Governing Access:

Collection is open to all researchers. Manuscript collections and archival records may contain materials with sensitive or confidential information that is protected under federal or state right to privacy laws and regulations, such as the Virginia Public Records Act (Code of Virginia, § 42.1-76-91); and the Virginia Freedom of Information Act (Code of Virginia § 2.2-3705.5). Confidential material may include, but is not limited to, educational, medical, and personnel records. If sensitive material is found in this collection, please contact a staff member immediately. The disclosure of personally identifiable information pertaining to a living individual may have legal consequences for which the College of William and Mary assumes no responsibility.

Conditions Governing Use:

Before reproducing or quoting from any materials, in whole or in part, permission must be obtained from the Special Collections Research Center, and the holder of the copyright, if not Swem Library.

Preferred Citation:

Clayton Papers, Special Collections Research Center, Swem Library, College of William and Mary.

Biographical Information:

Born in Lancashire in 1657. M. A. Oxford. Rector of James City (Va.) Parish, 1684-1686. Made scientific observations. Returned to England. Fellow of Royal Society. Dean of Kildare. Died 1725.

Information about this individual or organization may be available in the Special Collections Research Center Wiki: http://scdbwiki.swem.wm.edu/wiki/index.php/John_Clayton.

Scope and Contents

Copies of letters written by John Clayton author of Latin text *Flora Virginica*, exhibens plantas (Lugduni Batavorum, 1762), to Carl von Linne [Carolus Linnaeus] concerning Linnaeus' published works, seeds, Gmelin's *Flora Siberica*, and Clayton's election to the Swedish Royal Academy of Science; and to [John] Bartram concerning seeds, and a trip by Bartram to Florida.

Related Materials:

English translation of letter to Linnaeus in Edmund Berkeley and Dorothy Smith Berkeley, John Clayton, *Pioneer of American Botany* (Chapel Hill: University of North Carolina, 1963), pp. 105-106. Letter to Linnaeus published in *William and Mary Quarterly*, Ser. 2, Vol. IV, pp. 246-248. Letter to Bartram published in *William and Mary Quarterly*, Ser. 2, Vol. VI, p. 325.
