Historical Note:

The College of William and Mary Gay and Lesbian Alumni/ae was organized in 1986 by College alumnus Steve Snell '66, the organization's first president. The group has worked with and offered financial and leadership support to campus student organizations such as the Lambda Alliance (formerly Lesbian and Gay Student Union), the Gay Student Support Group and Alternatives. In 1990 GALA successfully campaigned to have "sexual orientation" added to the College's non-discrimination policy, and in 1991 joined the fight to have anti-homosexual language removed from the Virginia Alcoholic Beverages Control Board's liquor license code. The mission of GALA is to advocate for and provide education to straight, gay and lesbian students and alumni through, according to their mission statement, "fundraising and direct participation support for alumni/ae through networking, social community and Homecoming events." Further information about this organization is available in the Special Collections Research Center Knowledgebase: William & Mary GALA

Scope and Contents

This collection encompasses the records of the organization William and Mary Gay and Lesbian Alumni/ae (GALA) founded in 1986. Materials in the collection date from before the organization's founding to the present, with the majority of the material covering the years 1986 through 1992. The earliest records were maintained and created by Stephen Snell and George Greenia. The major issues covered include the founding of the organization, initial battles for recognition by the William and Mary Alumni Association, the fight to have sexual orientation added to the university's non-discrimination policy, and the suit to have anti-homosexual language removed from the state of Virginia's policies on liquor licensing. The records were collected by William and Mary GALA founder and first president Stephen Snell, Professor George Greenia,

presidents Steve Murden, Wayne Curtis, Frank Edwards, and others. Included in the collection are fliers, correspondence, education materials, news clippings, and organizational papers. Due to the multiple creators associated with the collection, the same documents can be found in multiple series and folders within the collection. For instance, notices about events and correspondence may be found in a general chronological folder as well as a folder about a specific event or topic.

Oral history interviews conducted for the Stephens Project are available in the University Archives Oral History Collection. Memorabilia such as t-shirts, buttons, etc. are available in the University Archives Artifacts Collection. Current information about GALA, including some documents from 2001 to the present are available at GALA's website: <http://wmgala.wordpress.com/>.

Separated Materials:

A 20th anniversary champagne glass was removed from this collection and added to the University Archives Artifact Collection.

Two baseball caps (2011.603.01 and 2011.603.02) were transferred to Series 1: Textiles, Subseries 4: Hats of the University Archives Artifacts Collection upon accessioning.

Related Materials:

University Archives Oral History Collection; Lesbian and Gay Union Records (UA 7.010); Gay Student Support Group Records (UA 7.090); Students Organizations Collection; records of the Office of the President (various administrations); University Archives Subject File Collection; University Archives Photograph Collection; University Archives Artifact Collection; William & Mary Alumni Association.
