Administrative History:

Biographical Information:

William Carter Stubbs was a native of Gloucester County, Va. In 1872, he became professor of chemistry at Alabama Agricultural and Mechanical College (now Auburn University) and six years later, state chemist of Alabama. He married Elizabeth Saunders Blair. In 1885, Stubbs was made director of Louisiana Sugar Experiment Station, New Orleans. He later became state chemist and geologist of Louisiana. He operated a rental/mortgage business in Alabama and helped with the Stubbs Family businesses in Sassafras, Gloucester County, Virginia. He and his wife, Elizabeth Saunders Blair, were genealogists and published books on their families. Stubbs died in 1924.

Administrative History:

Scope and Contents

Scope and Contents Genealogical research, notes and correspondence. Some material is organized by surname and location while other material is loosely grouped into correspondence and research material. Correspondence and other records related to genealogical publications by William Carter and Elizabeth Saunders Blair Stubbs, "Descendants of Mordecai Cooke of Mordecai's Mount, Gloucester County, Virginia," "Early Settlers of Alabama" and others. Original organization by the Stubbs has been maintained. Series 2, Family, also contains material on genealogy, often included in the correspondence and financial files.
