Additional Information

Biographical Note

Thomas E. Pugh was born on November 9, 1917 in Spotsylvania County, Virginia and died June 17, 2006 in Williamsburg, Virginia.

Pugh was pastor of Williamsburg Baptist Church for 29 years, 1952-1981. His tenure was the longest in the history of the church. When he retired, Pugh was named pastor emeritus.

When Pugh accepted the pastor position, one of his objectives was to embrace the students of the College of William and Mary. He sought to provide a ministry which would aid in their development during the formative college years.

Outside of the church community, Pugh served many organizations such as the American Red Cross and the Rotary Club. One of his most significant contributions to the Williamsburg community was his 25 year membership on the board of the Williamsburg Community Hospital.

Further information about this individual or organization may be available in the [Special Collections Research Center Wiki](#)
