### **Scope and Contents**

Diary titled "Covered Wagon Days, As Written by Mina Barnhouse," documenting a family's 1895 move from Kansas to Flathead Valley near Kalispell, Flathead County, Montana as part of a larger wagon train. The diary was written in 1945 and it is not clear whether it is a transcription of a 1895 document or whether it was composed 50 years after the event based on memory or oral histories. Several clippings from newspapers, magazines and also postcards are glued into the diary. For a more detailed description and excerpts provided by the seller see box list link below.
