Scope and Contents

Records of Carl Robinson, a West Virginian who, as a member of the U.S. Armed Forces, toured France as a member of an American Expeditionary Force (AEF) military observation tour from 10 July to 26 September, 1919. The collection contains an archive of photographs taken of the tour, apparently by Carl Robinson. There are also service records for Robinson dating from 1919 to 1941. Subjects of photographs include battlefields, grave markers and cemeteries, damaged villages and towns, railroad transportation, Reims Cathedral, weapons, and ship transport (on the vessel "Leviathan").
