Abstract

Book entitled "Properties Owned and Controlled by the Consolidation Coal Company: West Virginia Properties Inspected by the Directors and their Guests Aug. 2-3, 1907." Includes information on the number of mines, production, acreage, house ownership, and employment numbers for Consolidation Coal Company, Fairmont Coal Company, Clarksburg Fuel Company, Pittsburgh and Fairmont Fuel Company, Southern Coal and Transportation Company, and Somerset Coal Company. This is followed by 52 plates showing photographs of various mine and coaling stations belonging to those six companies. Plates include details of capacity, type of mining (electric, compressed air), and haulage (electric, rope, mule). Also includes three folded maps of mining company properties and operations that have been separated to the map collection.
