Abstract

National Register of Historic Places Registration forms (NPS Form 10-900) for historic districts within Watoga, Holly River, Hawk's Nest, and Lost River State Parks, as well as a number of other West Virginia State Parks. These forms document the history, significance, and current condition of these historic districts. Most of these parks were created or improved (with roads, buildings, landscaping, etc.) as part of New Deal programs such as the Civilian Conservation Core (CCC) and the Works Progress Administration (WPA) between 1932 and 1942.
