Abstract

Programs for West Virginia University football and basketball intercollegiate games. Football programs are scattered and incomplete in the range from 1940-2001, although there is a concentration for the 1961-1967 seasons; basketball programs are similarly scattered and incomplete in the range from 1950-2001, with the exception of the 2000-2001 season. Most programs are for individual games although there are a few guides for entire seasons as well.
